Comprehensive silicone range

Offering an advanced professional collection of high performance silicones with a wide range of unique benefits.

This comprehensive silicone range is appropriate for a wide range of environments, including general purpose and sanitary use.

General purpose silicone • White

SX contractors GP silicone • Acetoxy • 300ml cartridge

Product description: An acetoxy curing general purpose silicone which provides a permanently water tight flexible seal. Offering good adhesive properties, making it suitable for use on glass, most painted surfaces, sanitary ware, ceramics and most non-porous surfaces.

Overall benefits • Shelf life: 18 months

• Versatile sealant • High elasticity • Good resistance to UV and weather

Sanitary silicone • White

SX contractors sanitary silicone • Anti-fungal Acetoxy • 300ml cartridge

Product description: An acetoxy curing silicone containing anti-fungal compounds to prevent mould growth in areas subject to high humidity. Provides a long lasting, watertight flexible seal.

Overall benefits • Shelf life: 18 months

• Sanitary formulation • For use in kitchens, bathrooms and showers

Multi purpose silicone • Black

SX Sureseal MP silicone • Acetoxy • 300ml cartridge

Product description: An acetoxy curing multi purpose silicone which provides a permanent weather and waterproof seal. After application the silicone cures with atmospheric moisture to form a durable rubber seal.

Overall benefits • Shelf life: 18 months

• Versatile sealant • High elasticity • Good resistance to UV and weather

Introducing Cladding Monkey's bespoke colour range of silicone

To compliment our comprehensive range of sheets and profiles

Bespoke colour match silicone • Colours

Neutral silicone • Available in many colours • 310ml cartridge

Product description: This product is a plasticiser free neutral silicone. Offering a comprehensive collection of colours to match our complete range of sheet and profiles available. This product cures under the influence of humidity to form a durable elastics rubber.

Overall benefits • Shelf life: 9 months

• Perfect bonding without primer on most substrates
• Sanitary formulation • Neutral curing • Almost odourless
